Q2: 8 pts - 1 pt for a, 1 pt for b, 1 pt for c, 2 pts for d, 3 pts for e, for d, 1 pt for all perms, 1 pt for divide 6 or something of that nature, for e, 1 pt for super letter answer, 2 pts for subbing out the correct value

Q4: 4 pts - 1 pt for each term in the result

Rest: 4 pts - Just eyeball the rest and give a completion score out of 4 for questions 3, 5, 6, 7 and 8.

Comment particularly if students haven't written enough of an explanation for where their numbers come from...
