COP 3330 Fall 2026 Program 10 Grading Criteria

Grading Rubric

The TAs and I will have complete discretion on grading broken down into these categories:

Item	Points
Quality of the .pdf file with a focus on the clarity and specificity of the directions to the grader	4
Degree to which both goals were met	4
Basic Minimum Requirements Met (1 pt for each one)	5
Coding Style and Internal Documentation (commenting)	2
Level of complexity and depth relative to the student's expertise	15
